

Grading: **Homework**

You will have a homework assignment due at every class meeting. It will always consist of NOTES from the homework reading and a grammar exercise. I don't collect homework, but at each class meeting, I will walk up and down the aisles and check your homework. If you did both assignments, you will receive 100%. If you did only one, you will receive 50%.

The grammar homework will be distributed as a handout at the conclusion of the previous class meeting. Be sure to pick it up at the end of every class meeting. If you forget to do this, or if you are absent, you may still download the grammar homework assignment on the home page of our web site under HOMEWORK HANDOUTS.
