Re-setting Your PIN

If you forget your PIN, you must request that your PIN be reset **in-person at the Admissions and Records Office**. A valid picture ID is required to reset a PIN. For your protection, PIN numbers cannot be reset by phone or email request.

The PIN you establish will change your password for logging into Online Registration AND student email. When you establish a PIN for Online Registration, the new PIN works immediately. However, for student email, it will be active the next day after you've created it.
