

**Here are the instructions that will come with the final exam:**

**You have 110 minutes to type and upload a pdf of your best essay on ONE of the three writing prompts below. You will make a good impression if you double-space with 12-pt font, 1" margins, spell check, and proofread. Don't worry about a Works Cited page. Good luck!**

**You won't know the exact writing prompts until the day of the final exam. However, one will be on *Ramona* (the book), another on *Ramona* (the movie), and a third on *Good People*.**
